Each such assessment, together with interest thereon and costs of collection thereof, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due and shall not pass as a personal obligation to his successors in title unless expressly assumed by them. - 1. ARTICLE VI, USE OF PROPERTY, <u>Section 1</u>, **Protective** Covenants, shall hereby be amended to add the following paragraph as paragraph (f) thereof:
 - (f) Fences. Unless otherwise approved by the Architectural Review Board, all fences shall be of a visually open style, such as classic wrought iron; however, owing to the propensity of wrought iron to rust quickly, alternative materials such as extruded aluminum with black epoxy or vinyl coating shall be acceptable materials for fencing. Said fences shall not exceed five (5) feet in height. Further, all fences shall be located in the rear yard only, and shall not be installed closer than ten (10) feet to any property boundary line, thus permitting the passage of a typical power riding mower around all sides of all homes. No fence shall be installed until the style, materials and location have been approved by the Architectural Review Board.

In order to preserve the aesthetics of the community and keep grounds maintenance costs to a minimum, Lot Owners with fences shall, at their own expense be individually responsible for the maintenance of their fences and yard maintenance within their own fenced-in areas, including areas immediately adjacent to and/or under such fences.

Except as modified by this Amendment, all the terms and provisions of the Declarations One and Declaration Two are hereby expressly ratified and confirmed and shall remain in full force and effect.
